

# Legacy Society

## Case of Support

### **Our vision is a world where everybody thrives.**

YWCA Southern Arizona has been doing this work in Tucson since 1917. Our mission to eliminate racism, empower women, and promote peace, justice, freedom and dignity for all is a mission we share with over 200 other YWCA's internationally, some of whom have been doing this work even longer.

Our curriculum on racial justice has been adopted by the national branch of YWCA. Our Women's Business Center has been nationally awarded by the Small Business Administration. We adapt to the needs of our community by providing the only bilingual workforce and small business programs targeted to women.

We are uniquely positioned to continue leading the fight for economic and social justice well into the next 100 years.

### **We are building on a 100-year legacy. This can be your legacy too.**

Even though we are making progress, we know there is still a lot of work to be done. We're in this for the long-haul.

When you leave us in your will or estate plan, you are equipping a new generation of women leaders. You are building a better local economy for up-and-coming minority entrepreneurs. You ensure our advocacy work goes on boldly and sustainably.

## **Do you share our vision?**

Will you leave YWCA in your will or estate plan?

We have a fund at the Community Foundation for Southern Arizona (CFSA), which has the infrastructure to accept any type of estate gift on our behalf such as:

- Will or Trust
- Life Insurance Policy
- Individual Retirement Account
- Gift of Securities
- Life Estate
- Charitable Gift Annuity
- Real Estate

You can contact Mary Louise Luna, CFSA Director of Planned Giving, Philanthropic Services, at 520-209-2875 or [mluna@cfsaz.org](mailto:mluna@cfsaz.org) for more information or for a confidential, no commitment & no cost conversation about estate gifts.

Your legacy is what you leave behind for the next generation of leaders. What world are you leaving behind for girls and children of color? Together we can create a world where everybody thrives.

The fight continues.
